

Meet Greater Good Health

How We Support Brokers

At Greater Good Health, we are committed to building relationships with agents who share our vision of delivering high quality outcomes and experiences for seniors. Here are some of the ways we can support you as we work together to serve our community.

- **Community engagement**
- **Dedicated** agent meeting space
- Experience with **complex populations**
- Plan adherence **support**
- Positive patient experiences and health outcomes **support client retention**

How We Support Your Clients

We are focused on delivering **patient-centered care designed specifically for seniors**. By seeing our patients more often, we help them stay in front of their healthcare needs and make the most of their Medicare plan.

- **Senior-focused** primary care
- **Same-day & next-day** appointments when needed
- **Longer**, more meaningful visits
- **24/7** support line
- **Local access**

Let's work together to bring better care to your clients

Selecting a Primary Care Provider

Use for clients who choose Greater Good Health as their selected Primary Care Provider (PCP) this Annual Enrollment Period (AEP)

Why It Matters

If your client chooses Greater Good Health as their PCP, the selection must be made during plan enrollment during AEP. We've included a quick guide below for brokers to reference when needed.

How to Write in a PCP During the Enrollment Process

Step-by-Step:

- **During Plan Enrollment (via platform or paper)**
Look for the section labeled "Primary Care Provider," "PCP Name," or "Provider Selection."
- **Enter Provider Name**
Greater Good Health
- **Enter the NPI (National Provider Identifier)**
Use the correct NPI based on your client's clinic location (See NPI information below)
- **Confirm Clinic Location (if required)**
Include the preferred city or clinic address for added clarity
- **Submit as usual**
Once processed, Greater Good Health will show as the client's designated PCP, and we'll initiate patient outreach.
